Technical Assistance Bulletin TAB 2009-03 Publication of 2010 Economically Disadvantaged Criteria

Purpose

To provide notification of the publication of the 2010 Economically Disadvantaged Criteria

Content

The Indiana Department of Workforce Development has developed the 2010 Economically Disadvantaged Criteria and published the document as an attachment to this notice. Also, the criteria have been posted on the DWD TrackOne Technical Guidance website, titled as the 2010 Poverty Guidelines, located at <http://www.in.gov/dwd/2553.htm>

This criterion was developed using 2009 poverty guidelines from Health & Human Services (HHS) and the 2010 Lower Living Standard Income Level from the United States Department of Labor. The 2009 poverty guidelines are being used as the 2010 poverty guidelines would have led to a "reduction in eligibility" for certain means-tested programs, including Medicaid, Supplemental Nutrition Assistance Program (SNAP), and child nutrition.

The effective date for the new criteria is the effective date of this publication.
